- Researching and solving problems

---

## Experience

---

### Leidos/ CAD Drafter

AUGUST 2021, Novi MI

**CAD Drafter** - I work closely with engineers to implement changes to electrical drafting documents as well as create new drawings when necessary.

### Plum Market / Cashier Assistant/Cashier/Grocery Team

SEPTEMBER 2013- NOVEMBER 2020, Bloomfield Hills MI

**Cashier Assistant** - I bagged groceries, restocked bags, gathered carts, performed various cleaning tasks and became familiar with customer service.

**Cashier** - I performed many of the same tasks, while also operating a cash register and focusing more on customer service.

**Grocery Team** - I restocked shelves and took inventory, and approached customers to assist with product location and information.

**Kroger / Courtesy Clerk**

JULY 2013 - SEPTEMBER 2013, Bloomfield Hills MI

**Courtesy Clerk** - I bagged groceries, restocked bags, gathered carts, performed various cleaning tasks and became familiar with customer service.

---

**Education**

---

**Oakland Community College**

Associate of Science - Computer Aided Drafting and Design

DECEMBER 2019, Auburn Hills MI

---

**Hobbies**

---

I have taken multiple courses in 3D modeling with 3DS Max software. In my free time I enjoy creating models and environments, and experiment with lighting systems and animation.
